

Acknowledgment

I, _____,
hold the position of

_____ in the _____ Corporation
and, in that capacity, have the power to bind that Corporation in
the matter to which this Acknowledgment relates, and by this
Acknowledgment do so bind that Corporation.

I hereby acknowledge that the _____ Corporation
desires to receive the following government drawings (in Autocad
files) _____ generated by the Northrop
Grumman Corporation relative to the Vehicular
Intercommunication System. I recognize the information was
furnished by the Northrop Grumman Corporation to the
Government with the restriction that it only be used for U.S
Government purposes to exclude Foreign Military Sales. Unless I
legally obtain this information from another legal possessor without
restriction, I agree that this Company will not use this information
for any non-Government purpose or for the purpose of Foreign
Military Sales. I further agree not to disclose this information
outside the confines of this Company without first securing the
written agreement of the recipient and his organization, if any, to
be similarly so bound. I recognize that any unauthorized use or
disclosure of this information will make me subject to suit by
Northrop Grumman Corporation and responsible for damages
arising out of that suit. This signed acknowledgment along with
your E-Mail address shall be sent to the Commander, US Army
Communications-Electronics Command, ATTN: AMSEL-LC-COM-
