H-4            225.802-70-            CONTRACTOR DEPLOYMENT TO SOUTH WEST ASIA  
LOCAL

DEC/2003

HS7500 Contractor Deployment To South West Asia (Dec 2003)

a. Employees going on field visits, TDYs, and deployments to Southwest Asia (Kuwait, Iraq, Afghanistan, Djibouti, Jordan, Qatar, etc.) must coordinate with the AMC Logistics Support Element (LSE) in Southwest Asia (SWA). The AMC LSE SWA is the entry point for all AMC visitors to that part of the world. These ensure that AMC military, civilians and contractors are routed through the appropriate subordinate LSE or LAO. In briefs and out briefs are mandatory. The AMC LSEs and LAOs need to know who comes into the theater for accountability purposes and administrative oversight and force protection. The Area Commander is required to know the location of all AMC contractors in their Area of Operation at all times.

b. Notifying the AMC LSE SWA of the contractor's impending visit is not a problem, if a call forward has been requested, because the LSE SWA receives a copy of every call forward from the AMC Emergency Operations Center. Some employees may not receive a call forward, usually because they are going for less than 30 days. In those cases, the contractor needs to notify the CECOM DCSPER Desk in the EOC at DSN 992-1762 or commercial 732-532-1762 of the visit and they will coordinate with LSE SWA.

Except for changes identified as such in writing and signed by the Contracting Officer, the Contractor shall notify the Administrative Contracting Officer in writing promptly, within \_\_\_\_ calendar days (to be negotiated) from the date that the Contractor identifies any Government conduct (including actions, inactions, and written or oral communications) that the Contractor regards as a change to the contract terms and conditions. On the basis of the most accurate information available to the Contractor, the notice shall state-

(1) The date, nature, and circumstances of the conduct regarded as a change;

(3) Deny that the conduct of which the Contractor gave notice constitutes a change and when necessary, direct the mode of further performance; or

(4) In the event the Contractor's notice information is inadequate to make a decision under (1), (2), or (3) above, advise the Contractor what additional information is required, and establish the date by which it should be furnished and the date thereafter by which the Government will respond.

(1) If the Contracting Officer confirms that Government conduct affected a change as alleged by the Contractor, and the conduct causes an increase or decrease in the Contractor's cost of, or the time required for, performance of any part of the work under this contract, whether changed or not changed by such conduct, an equitable adjustment shall be made-

(i) In the contract price or delivery schedule or both; and

(ii) In such other provisions of the contract as may be affected.
