21 225.802-70- CONTRACTOR DEPLOYMENT TO SOUTH WEST ASIA DEC/2003
 LOCAL

HS7500 Contractor Deployment To South West Asia (Dec 2003)

a. Employees going on field visits, TDYs, and deployments to Southwest Asia (Kuwait, Iraq, Afghanistan, Djibouti, Jordan, Qatar, etc.) must coordinate with the AMC Logistics Support Element (LSE) in Southwest Asia (SWA). The AMC LSE SWA is the entry point for all AMC visitors to that part of the world. These ensure that AMC military, civilians and contractors are routed through the appropriate subordinate LSE or LAO. In briefs and out briefs are mandatory. The AMC LSEs and LAOs need to know who comes into the theater for accountability purposes and administrative oversight and force protection. The Area Commander is required to know the location of all AMC contractors in their Area of Operation at all times.

b. Notifying the AMC LSE SWA of the contractor's impending visit is not a problem, if a call forward has been requested, because the LSE SWA receives a copy of every call forward from the AMC Emergency Operations Center. Some employees may not receive a call forward, usually because they are going for less than 30 days. In those cases, the contractor needs to notify the CECOM DCSPER Desk in the EOC at DSN 992-1762 or commercial 732-532-1762 of the visit and they will coordinate with LSE SWA.

c. All contractors are responsible for coordinating with the AMC LSE SWA when they enter the area and/or when they leave. The call

d. In addition, every travel order for SWA shall have the following statement in the remarks section:

"All AMC military (AC/RC), Department of the Army Civilians, and contractors will contact the appropriate AMC office and coordinate with the AMC office the purpose of their visits."

2. If are any questions, contractor employees may contact the DCSPER Desk in the EOC at DSN 992-1762 or commercial 732-532-1762.

22 52.7630 YEAR 2000 COMPLIANCE APR/2001

'Specifically authorized representative (SAR),' as used in this clause, means any person the Contracting Officer has so designated by written notice (a copy of which shall be provided to the Contractor) which shall refer to this subparagraph and shall be issued to the designated representative before the SAR exercises such authority.

(b) Notice. The primary purpose of this clause is to obtain prompt reporting of Government conduct that the Contractor considers to constitute a change to this contract. Except for changes identified as such in writing and signed by the Contracting Officer, the Contractor shall notify the Administrative Contracting Officer in writing promptly, within 10 calendar days (to be negotiated) from the date that the Contractor identifies any Government conduct (including actions, inactions, and written or oral communications) that the Contractor regards as a change to the contract terms and conditions. On the basis of the most accurate information available to the Contractor, the notice shall state-

(1) The date, nature, and circumstances of the conduct regarded as a change;

All directions, communications, interpretations, orders and similar actions of the SAR shall be reduced to writing promptly and copies furnished to the Contractor and to the Contracting Officer. The Contracting Officer shall promptly countermand any action which exceeds the authority of the SAR.

(d) Government response. The Contracting Officer shall promptly, within 10 calendar days (to be negotiated) of receipt of notice, respond to the notice in writing. In responding, The Contracting Officer shall either-

(2) Countermand any communication regarded as a change;

(3) Deny that the conduct of which the Contractor gave notice constitutes a change and when necessary, direct the mode of further performance; or

(4) In the event the Contractor's notice information is inadequate to make a decision under (1), (2), or (3) above, advise the Contractor what additional information is required, and establish the date by which it should be furnished and the date thereafter by which the Government will respond.

(ii) In such other provisions of the contract as may be affected.

(2) The contract shall be modified in writing accordingly. If you have complaints about this procurement, it is preferable that you first attempt to resolve those concerns with the responsible contracting officer. However, you can also protest to Headquarters, AMC. The HQ, AMC Level Protest Program is intended to encourage interested parties to seek resolution of their concerns within AMC as an Alternative Dispute Resolution forum, rather than filing a protest with the General Accounting Office or other external forum. The AMC protest decision goal is to resolve protests within 20 working days from filing. To be timely, protests must be filed within the periods specified in FAR 33.103. Send protests (other than protests to the contracting officer) to:
